

Fax-Nr. +49 0611 880875 10

Registration for the following event: InfraCaLCC® – training (free software-licence included)

Date of Event:

Participant Name:

Company/Organisation:

Address:

Phone:

e-mail: Signature:.....

Please bring along your own laptop (enabled WLAN interface and Browser Mozilla Firefox V.3.x or MS Internet-Explorer V 7.x) to the course – there are no public accessible computers available. The workshop fee (2 days) per course and participant is about **EUR 1.400.- (excl. VAT)**. This includes two nights in the conference hotel (arrival on the afternoon / evening before the event) including breakfast, beverages during conference breaks, lunches and generally the participation in a small evening-event on the evening of the first full course day. A confirmation of this registration (along with details of the event venue in the Frankfurt / Rhine-Main region) as well as the invoice will be sent to the participants. A conference package including the training documentation as well as the individual access data will be handed to participants during the workshop.

Terms and Conditions („the small print“ – please read nevertheless...):

Only use this registration form to register and send it via fax or standard postal mail. With this registration you accept the terms and conditions of DIE INGENIEURWERKSTATT Gesellschaft für Lifecycle-Engineering mbH. The contract is valid with our transmittal of the registration confirmation. The participation fee is due immediately after the transmission of the confirmation. Please pay (by bank transfer) the invoice in full within 14 days after receiving our invoice and quote the invoice number.

Cancellations have to be made in writing. Free cancellations are possible receiving us up to 31 days before the event. For cancellations after the 31th day until the 5th day before the event begins we collect a fee of EUR 300.- excl. VAT. Following this date there will be no reimbursement of the paid amount. The date on the postal stamp is used as the reference date. Registered / paying participants who are unable to attend the workshop will receive a complete set of the training documentation and access data on request. We will be happy to accept a substitute participant.

If the workshop has to be cancelled all registered participants will be informed immediately. In case of cancellation the only obligation of INGENIEURWERKSTATT is the reimbursement of the already paid fee, which is our only liability.
